

**REMARKS**

Reconsideration and withdrawal of the provisional double patenting rejection of claims 1-4 and 8-18 are respectfully requested. While Applicant still believes for reasons previously presented that this rejection is improper, in order to advance prosecution, Applicant submits herewith a terminal disclaimer over the claims of pending application 10/521,805.

It is believed that the present case is now in condition for allowance and a further favorable action is respectfully requested.

Respectfully submitted,

---
